Now you can **save up to AU\$17,000** on an **Australian Degree**, thanks to a new and exciting venture with Accredited Online Training (AOT) and CQUniversity. Enrolling in AOT's Diploma will allow you to apply to receive a **packaged offer letter for a place at CQUniversity** and at the same time you will **complete year 1 of your Degree**, all from the comfort of your home.

Australian Accredited Diploma

If you are looking for a quality education which can also lead you directly into the second year of a CQUniversity Degree, you should choose to enrol in AOT's online Diploma in Business Administration.

The Diploma of Business Administration will provide you with the skills needed to run a small business or become an effective member of a larger corporation. Also included in this qualification are two chapters that satisfy the skills requirement of current Australian Securities and Investment Commission (ASIC) regulation (Financial Services Reform Act).

The Diploma includes an online student discussion forum, allowing you to interact with fellow students, and video/ audio clips, interactive activities and a virtual workplace allowing you to put into practice the skills you are developing through the course.

Study in your own country – gain an international qualification

If you want to study an Australian qualification but can't leave home for all or part of your course, AOT's online Diploma could be the perfect solution for you.
